Dear Abe.:

Mr. Semler is in Florida at this writing and I expect him to return by the latter part of the week and I shall remind him to make prompt payment of his league dues.

We have also received a letter from the Umpires Association and while I personally think the rate are rather high I prefer to wait and see what Mr. Semler has to see about it; and this too will be called to his attention immediately upon his return.

Very sincerely yours,

Curtis A. Leak. Sec.
